

Health To The Company

Chorus

And here's a health to the company
And one to my lass
Let us drink and be merry, all out of one glass
Let us drink and be merry, all grief to refrain
For we may and might never all meet here agane

Kind friends and companions come join me in rhyme
Come lift up your voices in chorus with mine
Let us drink and be merry, all grief to refrain
For we may and might never all meet here agane

Chorus

Our ship lies at harbor, she's ready to dock
We wish her safe landing without any shock
And if ever we meet agane by land or by sea
Sure I'll always remember your kindness to me
